REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The closest prior art appears to be US 5,598,645 (Kaiser). Kaiser doesn't teach, among other things, a "plural kinds of communicating air chambers located on the whole portion except said heel portion of said sole". The communicating air chambers (7,8) of Kaiser only cover a portion of the forward portion of the sole.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Drawings

2. Figure s 1-4 should be designated by a legend such as --Prior Art-- because only that which is old is illustrated. See MPEP § 608.02(g). Corrected drawings in compliance with 37 CFR 1.121(d) are required in reply to the Office action to avoid abandonment of the application. The replacement sheet(s) should be labeled "Replacement Sheet" in the page header (as per 37 CFR 1.84(c)) so as not to obstruct any portion of the drawing figures. If the changes are not accepted by the examiner, the applicant will be notified and informed of any required corrective action in the next Office action. The objection to the drawings will not be held in abeyance.
